

PRESS RELEASE

November 30, 2011

The Board of Directors of the Kamloops Track and Field Club would like to announce the hiring of head coach Oleg Bondarchuk. Oleg is the grandson of world renowned throws coach, Dr. Anatoliy Bondarchuk who in 2005 came to Canada to coach with the Kamloops Track and Field Club and is now lead coach for Athletics Canada's high performance throws centre, here in Kamloops. Dr Bondarchuk is one of the world's lead coaches in periodization for athletes.

Oleg, like his grandfather before him, was employed in Kuwait coaching track and field and brings with him a vast amount of experience and education. Graduating from a specialized school in Kyiv, Ukraine , Advanced Study of Biotechnologies, he now holds a Bachelor Degree in Physical Education and Sport, and a Bachelor Degree from the Medical Engineering Department in Physical Rehabilitation from the University of Kyiv.

Please join us in welcoming Oleg Bondarchuk to the Kamloops Track and Field Club in Kamloops, BC, Canada's Tournament Capital where Oleg will work side by side with his grandfather and coach at our great facilities at Tournament Capital Centre and Hillside Stadium.

Thank-you.
